GRAND MARSHALS

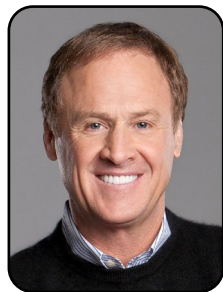

KATEY SAGAL Actress

An extremely gifted, versatile performer adept at both comedy and drama, actress/singer Katey Sagal became a household name in the late 1980s as the fabulously brazen, undomesticated Peg Bundy on the enduring Fox series Married... with Children (1987).

KURT SUTTER Actor and Director

Kurt spent several years as an actor in NYC, performing in off-off-Broadway theatres, lofts and holding cells. In the mid-nineties, he joined the faculty of "The Gately-Poole Acting Studio" on Theatre Row, teaching the Sanford Meisner Technique and directing productions at "The Nat Horne Theatre".

RUSTY WALLACE NASCAR Cup Series Champion

For nearly 40 years, racing legend Rusty Wallace has delighted racing fans not only with his hard-nosed and aggressive approach to racing, but also with a personality and charisma that are unmatched in the sport.

FRANK SCOTT

From his early days as an Army Paratrooper to his 10 years stint as an Army Reserve Drill Sergeant, Frank has never been shy. That's why he pursued a career in Broadcasting. A career that began in 1992 and led Frank to Daytona Beach in 1995. Frank has been part of the Frank and Tracy Morning Radio Show with Tracy Dillon for most of the past 30 years.

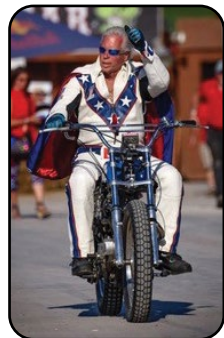

GRACE VAN PATTEN Actress

Grace Van Patten is an American actress. She has appeared in two films distributed by Netflix: Tramps and The Meyerowitz Stories, and in Hulu's miniseries Nine Perfect Strangers and Tell Me Lies. She is the daughter of director Timothy Van Patten and niece of actors Joyce Van Patten and Dick Van Patten.

JACKSON WHITE Actor

Jackson James White is an American actor. He is best known for his roles as Stephen in Tell Me Lies, Brendan Fletcher on Mrs. Fletcher, Ash Baker in the 2017 film SPF-18 and Officer Zach in the 2022 film Ambulance.

DOUG DANGER

When you think of the word daredevil, the name that is synonymous with long-range motorcycle jumping is Doug Danger. Doug "Danger" Senecal has demonstrated his old school daredevilry skills by jumping over a L1011 jumbo jet, 14 school buses, and 18 tractor-trailers for a world record.

ENTERTAINMENT

ARE FRIENDS ELECTRIC

Are Friends Electric, out of Daytona Beach, Florida, spins commanding vocals and a rhythmic ruckus into full-blown theatrics on stage. Featuring Andrea Elmer Mix on lead vocals, Jeremy Mix on guitar/vocals and Matt Brown on drums, the music they make is punk-laced indie pop — focused and fresh, and yet familiar. A dash of David Bowie, a sprinkle of Blondie and the Beatles, the Pretenders or Prince — it's a little bit nostalgic for the '80s, while charging forward into whatever's next. With their backbone rooted in rock n' roll, the chances they take on the outskirts of traditional rock & roll is what seems to set Are Friends Electric apart from the pack. They seem to have a certain sumthin' sumthin' that makes the music tick and their live show tock.

EVENT CHAIRMAN WELCOME LETTER

On behalf of the Ride for Children Event Committee, I welcome you to the 29th Annual Bruce Rossmeyer Ride for Children. Your participation and generosity is greatly appreciated and will go a long way in making a difference in the lives of children with serious illnesses. All proceeds will benefit the brave children attending Camp Boggy Creek during summer and family retreat weekends. In fact, you will have an opportunity today to hear from a Camp Boggy Creek camper, who will share their story and the impact Camp has made on their life. It is because of your support that Camp Boggy Creek is able to provide a medically sound camp environment where children can forget about their illnesses and just be a kid.

Bruce Rossmeyer started this event a year before Camp opened because he knew children deserved a place to find courage and make friends with others who are just like them. Over the last 29 years, the Ride has raised over \$7 million dollars in support of Camp Boggy Creek. For every gift you make, you are bringing independence, courage, and joy for the children at Camp Boggy Creek.

I want to personally thank my fellow committee members who have played key roles in the success of this event: Honorary Chair, Sandy Rossmeyer, Mandy Rossmeyer, Dean Pepe, Eva Connors McMullin, Collin York, Jeanmarie York, Patricia Miracle, Rebecca Young, John Whittenhall, Frank Scott, Marisa O'Dwyer, and Brian O'Dwyer. Additionally, I would like to thank Teddy Morse's Daytona Harley-Davidson for supporting this historic event and keeping the momentum. Finally, and always, we thank the Rossmeyer Family who have been the most gracious hosts of this event for 29 years, ensuring this great legacy of Bruce Rossmeyer.

I would also like to thank this year's Grand Marshals: Camp Boggy Creek Ambassador and actress Grace Van Patten, Katey Sagal, Kurt Sutter, Jackson White, Rusty Wallace, Doug "Danger" Senecal and Frank Scott!

We are so grateful to all of you for taking part in the Ride for Children and supporting the campers of Camp Boggy Creek. To all of our loyal sponsors, friends, and guests, we extend a heartfelt thank you for joining us and making this event a tremendous success!

BRUCE ROSSMEYER

In 1994, Bruce Rossmeyer took his love for motorcycles to the road when he began the first Ride for Children event to raise money for children with serious illnesses to attend Camp Boggy Creek. As a Founder and Board Member of Camp Boggy Creek, Bruce Rossmeyer immediately recognized the need to enrich the lives of children with serious illnesses and provide them with camp experiences that are memorable, exciting, fun, empowering, physically safe and medically-sound.

Children and their families are never charged fees to attend Camp Boggy Creek and Bruce Rossmeyer was dedicated to continuing Boggy Creek's mission of compassion, its legacy of caring, and its commitment to give a "week of normal" to children with serious illnesses. The

Ride for Children was very successful due to Bruce's personal involvement and commitment. He encouraged his personal and business associates to make contributions that went directly to help the children who attend Camp Boggy Creek. Since its inaugural run 29 years ago, it has raised over \$7 million for Boggy Creek campers.

A camp staff member reflected about an on-stage presentation during the early years of the Ride, where a nine-year-old camper joined Bruce on stage to present his thank you gift. As the little girl read the inscription on the thank you plaque, tears began to run down the "big man's" face. When it came to the children of Camp Boggy Creek, there was no softer heart.

Your support and dedication makes the magic and joy of Camp possible!

Members of the BRUCE ROSSMEYER RIDE FOR CHILDREN HALL OF FAME

The Bruce Rossmeier Hall of Fame was first established in 2005. The Hall of Fame honors those who have played a special role in providing thousands of children with serious illnesses and their families the opportunity to experience the magic of Camp Boggy Creek. Like Bruce, their hearts were captured by the mission of Camp and by the bravery of its campers.

On behalf of the campers, families, Board members, staff, and volunteers, we thank the Hall of Fame members for the selfless love and generous support they have given to Camp Boggy Creek over the years.

On behalf of all of us at Camp Boggy Creek, our team members, our Board of Directors, and, most importantly, our campers and their families, THANK YOU for your support of the 29th Annual Bruce Rossmeier Ride for Children.

I got to attend my first Ride for Children last year as the new CEO of Camp Boggy Creek. It was so amazing to see the ride return to Camp; all those beautiful motorcycles and the even more beautiful humans riding them past our camper cabins and activity areas. Last year's riders raised over \$400,000 to make it possible for children with serious illnesses and their families to attend summer camp or a family retreat weekend. What an amazing gift!

This year I've seen firsthand the healing power of your generosity. I've seen it in the smiles of campers who spend their time at home facing frightening, life-threatening conditions. I've seen it in the tears and hugs of parents who've just met, but who are so grateful to be with others who know what they're going through. And I've seen it in countless parent letters telling us how much their children have been impacted and strengthened by their stay at Boggy Creek. You make all that possible.

We couldn't do any of the powerful work we do here without our incredible supporters. We are so thankful for the commitment of Sandy, Mandy, Wendy, and the entire Rossmeier family as well as John Hamlin, Teddy Morse, and all our committee members and sponsors. You all help the children we serve have a place where they can just be kids for a while; where they can laugh and play with other kids just like them, and heal from the invisible wounds that serious illnesses can leave behind. Thank you also to this year's amazing grand marshals for helping us raise the Ride's profile and bring more attention to the needs of children with serious illnesses.

I'm humbled that you're all here. I'm grateful for your remarkable generosity. Thank you for making a difference in the lives of so many children!

Camp Boggy Creek

DELIVERING JOY FOR 27 YEARS!

For 27 years, Camp Boggy Creek has been a place of dreams, of joy, and of possibilities for children with serious illnesses and their families. Founded by Paul Newman and General H. Norman Schwarzkopf, and other community leaders, Camp Boggy Creek opened in 1996 as a place where kids with serious medical illnesses can experience a FREE life-changing camp experience. Nestled on 232 acres in Central Florida, Camp boasts a state-of-the-art medical facility, a gorgeous full-sized theater, indoor gym, modern air-conditioned cabins, and a gigantic sized heated zero-entry swimming pool. Camp Boggy Creek offers campers the chance to catch their first fish, go horseback riding, swim, perform on a stage, and so much more.

The possibilities are endless at Camp Boggy Creek and so is the confidence children build when friendship, reassurance, and hope are needed most in their lives. Beyond boundless fun, Camp Boggy Creek provides fellowship. Children can spend time with others who are just like them, share their life experiences, and make friendships that last a lifetime. Camp Boggy Creek never charges campers to attend and never asks them to contribute anything other than a positive, playful attitude. The success of Camp Boggy Creek is the direct result of the extraordinary commitment of our Founders, Board leadership, staff, individual donors, corporations, healthcare partners, foundations, civic clubs, organizations, our dedicated volunteers, and supporters like you. Your dedication to making a difference in the lives of children with serious illnesses is immeasurable and we are honored to count you as a special part of our Camp family. THANK YOU.

Children with serious illnesses spend countless hours every year in a doctor's office, hospital or sick at home. That's why Camp Boggy Creek is magical! As soon as campers arrive, they can just be kids and have fun. They discover a world of possibilities instead of limitations. Campers can go fishing or swimming, ride a horse, act on stage, hit a bullseye at our archery range, and do so much more. Lifelong friendships are made here, resilience is built here, and love is the cornerstone of it all.
